ADDITIONAL INFORMATION & REQUIREMENTS For MV-18A AFFIDAVIT

After five (5) years, the Department of Revenue retires microfilm/imaged copies of title applications and documents used to support the issuance of certificates of title. The MV-18A Affidavit must be submitted to request the correction of information recorded on a Georgia Title when the microfilm/imaged copies have been retired and are no longer available to validate the correction.

The MV-18A Affidavit can be submitted to your County Tag Office or the Motor Vehicle Division of the Department of Revenue. The mailing address for the Motor Vehicle Division is:

ATTN: Research/Title Corrections
Dept. of Revenue/Motor Vehicle Division
PO Box 740381
ATLANTA, GA 30374-0381

County Tag Office locations can be found in the government section of your local telephone directory or from this department's website, motor.etax.dor.ga.gov

From this department's website, you may also access forms and directions.

The MV-18A Affidavit must be completed and submitted with:

1. MV-1 title application. Application can be electronically completed and printed, typed, or legibly hand-printed in blue or black ink. The title application must be signed by the vehicle owner(s).
2. Original Georgia Title unless the original title has been lost or stolen.
3. No fee is required when the title is to be issued in the same name(s) as the original title. If there is a transfer of ownership, the \$18.00 title application fee and Title Ad Valorem Tax (TAVT) (if applicable) must be paid. If it has been more than 30 days since the date of transfer, all associated penalty fees must be paid.
4. Based on the type of correction request, the following additional documents are required:
 - a) To correct a VIN, form T-22B must be submitted, which has been completed by a Georgia law enforcement officer, a County Tag Agent or his or her designated employee; or, a legible pencil tracing of the VIN plate must be submitted.
 - b) To remove a salvage or rebuilt brand/legend, a signed letterhead statement from your insurance company must be submitted, indicating that the salvage or rebuilt brand was placed on the title in error and the vehicle is not now or has never been in a salvage or rebuilt condition as defined in State law or, in the event you cannot obtain a letter from the insurance company, a report of a Motor Vehicle Division Salvage Inspector. To arrange for any inspection, you must complete form T-22R. This form, the MV-18A affidavit, title application, title, any other required documentation and a check or money order for the inspection of \$100 payable to the Department of Revenue must be mailed to: ATTN: Salvage, Dept. of Revenue/Motor Vehicle Division, PO Box 740381, Atlanta, Georgia 30374-0381.
 - c) The MV-18A Affidavit cannot be used to change an odometer reading or to remove an odometer discrepancy brand/legend. To remove an odometer discrepancy brand/legend or change an odometer reading, Form T-107 (Odometer Discrepancy Affidavit) must be submitted with an MV-1 title application and title. More than one T-107 Form is required if the discrepancy occurred several owners back or if a determination cannot be made as to when the discrepancy occurred.
5. Any other available documents that will support the correction request.

The Department of Revenue, Motor Vehicle Division, and County Tag Agents, reserve the right to deny the correction of any Georgia Certificate of Title.
